Nelson Shared a scene with guest star Bill Fagerbakke. The moment is 24 years after the conclusion of their long duration sitcom ABC, Coach, and 17 years after the last couple appeared on the screen together in an episode of The District on CBS. On the Thursday episode, Nelson and Fagerbakke play old friends who meet in a bar to recover. E! was the only scene that the two shared in the episode, it was enough to excite the fans looking at home, who went on social media with a quite common feeling: that it was "fantastic". And spectators noticed what Steve Molaro, Young Sheldon's executive producer, pointed out in an interview with TVLine before the Thursday's broadcast, that the couple still has a great chemistry The log, Nelson continued to appear on the main TV shows in the years after the end of Coach, while Fagerbakke became a name like Patrick Star's voice on the successful animated show, SpongeBob SquarePants. The identity of Newcastle's first transfer after their acquisition was revealed. In the third trimester, 182 million euros (212 million dollars), down 8.4% compared to the previous year, due to supply chain issues and component shortages. CEO Eric Rondolat said that the problems are "transitors" and noted that the company's order portfolio increased by 90% compared to a year ago, due to a strong demand, but profits for the entire year of the company would probably be in the lower range of its expected turnover for 3%-6% growth in sales. "We believe that these unprecedented supply chain issues are transient and we trust in our ability to convert demand to growth of sales as the situation stabilizes," said Rondolat. A dramatic film captures Melbourne's electric lines, Victoria, exploded during the weather that hit the city on October 29. On Friday morning, the Victorian State Emergency Service (VICSES) announced that it has received 1.670 requests for assistance in the last 24 hours. Approximately 148,000 customers remained unused on Friday, according to the Powercor energy supplier. Credit: Zoe Vorenas via StoryfulGeely car-owned Volvo Cars said its initial public offer (IPO) was substantially oversubscribed as it was prepared for its stock debut in Stockholm later on Friday. Gothenburg-based Volvo Cars, owned by Geely Holding, which will maintain the vast majority of the company's shares, said that the IPO will see more than two hundred thousand new shareholders added. The IPO had already been listed at 53 Swedish kroners (\$6.22) per share and the sale of almost 380 million new shares will allow Volvo to obtain a gross embroidery of about 20 billion kroner to finance the transition to a range of exclusively electric models. The film focuses on the preparation of the process at Patrizia Reggiani, former wife of Maurizio Gucci (Bloomberg) -- Actions of the best platform of e-ticketing railway of India almost resumed from a record collapse of 30% after the government cancelled its proposal to share half of theof the State Company.Più readings from BloombergPuà A new mayor Correct the center of Seattle?
