## A to z dismantlers

Contact us we are a family-run company from 1945, our structure has grown over the years and have constantly updated our premises and equipment required for de-polluting vehicles and the purchase and management of Waste metals. Now we are one of the main vehicles of vehicles in Cumbria and south-west of Scotland. Our site is 10 acres and contains over 2000 on-site vehicles at any time. We take care of the public and trade supply of recycled parts and waste metal management. We work with the Council of the Municipality of Carlisle and the Borough Council of Allerdale to remove abandoned vehicles. We keep all the relevant updated permits and licenses to allow us to use a safe and environmentally friendly site. Legal requirements due to government laws performed on 1 October 2013, we can only pay for your vehicle or metal scrap by bank transfer, which will be in your account the same day, or we can issue a check. Identification is required by law for all vehicles and waste metals. (The ID accepted is a driving license of the UK photocard or an original UK passport, plus a recent utility bill (in the last 3 months) showing your current address.) Provide both trade and the Cumbria public coverage and South West Scotland safe and eco-compatible about 1000 vehicles on-site at any time get rid of your scrap for a great price! If your vehicle has arrived at the end of life, we can pick up your vehicle for free within a 45-mile radius and pay in cash on collection, alternatively you can bring your vehicle to our site. Identification is required by law for all disposed of vehicles. Your vehicle will be disposed of using methods of approving the environment and the government. You can contact us (01228) 520109 to organize a collection. All our spare parts are guaranteed! We share a wide range of second-hand car parts for all brands and vehicle models, our trained staff is here to watch your request. Contact us on (01228) 520109 or complete the request form. \* The guaranteed parts are parts that have been removed from our staff. We offer great prices for your metal scrap! We offer excellent prices for your metal scrap both ferrous and non-ferrous metals of the general public, metal scrap traders, local trade and local trade. We accept ferrous metals like heavy steel and vehicles and non-ferrous as lead, aluminum and copper. We sell a wide range of pneumatic stocks that are partially worn and balanced on the site ready for you to drive safely. We have two tire furniture machines and two tire balancing machines, using the latest equipment from Rema Tip Top. Puncture repairs are also a service we offer. Our workshop team is processing daily, tested vehicles and inventory pieces. We have a team of parts dedicated to the parts of your vehicle by our substantial inventory and our largest network provider of approved partners. Our team hope organizes local and national daily deliveries. Average customer review (13 reviews) 7 Customers would recommend this activity to a friend James Brown on December 16, 2019 11:59 am had a quick response to my request. Excellent price and less than 24 hours of delivery to a long address from Carlisle. I can't ask for better service.
