The greatest patriot... I know a lot of people think that the Winchester is designed by John Browning is the best. And what a nice touch to find those cartridges under the top plate. But I'm starting to think that John Marlin might be a genius in his own right. Published by 1894C "SAT OCT 21, 2017 12:14 AM CAGENE THIS 1977 Glenfield 30A for \$ 400 (little high), has the JM seal, no cross bolt security, no rust, in fact, I do not. He thinks this gun has been fired. I just installed a view of the Williams receiver and will be installing slingshot studs, which I was surprised to have in my parts box (took the reach train).
