For those who do not know, Manny Pacquiao won the struggle for divided decision. "Pac Man" recently remembered the world because it is considered one of the greatest boxers of all time. The Phillippo took to Twitter to offer the world a glimpse of his training field for the next fight: while Manny Pacquiao certainly will be fighting as he has been fifteen, the video shows that he is still a lot of a forã \$A to be considered. See here: Manny Pacquiao's Career Earnings do you think Pacquiao will be able to shock the world once again with a victory about Errol Spence Jr.? Let us know in the comments! Edited by Avinash Tewari the injunction of Paradigm Sports Management may not have stopped Manny Pacquiao vs. Spence of Errol Jr of happening, but the lesion canceled the fight for the title of the mother weight anyway. It was announced on Tuesday that the champion of IBF and WBC Spence was forced out of August 21 of the PBC at Fox PPV with a gap of retinal in his left eye. Nevada's atlence of Nevada found the gap in his mother examination, and Spence is scheduled to be operated later this week. Usually this is reason for the card to be canceled, but Pacquiao will still be fighting in the next week. In place of Spence is Yordenis Ugas (26-4, 12 kos), which was originally programmed to face Fabian Maidana at the main event. Ugas was perhaps unfortunate to lose to the WBC Shawn Porter champion in 2019 and is in a fight of Train fights against Omar Figueroa, Mike Dallas and Abel Ramos. The 35-year-old Cuban has gained bronze at the 2008 Olympics in Beijing and is widely considered a Top-10 freshwood if not in Top-5 fringes. In terms of short -term substitutions, it is a high quality opponent, although one with much less and success as Spence. This is obviously a boring losing Spence so outside the fight night. He fought only once since a car accident put him out of action last December when he defeated Danny Garcia by decision. I hope he has a complete recovery of surgery and we will see him in the ring again soon. These two tweets summarize today's notion: I came back from the worst ERROL SPENCE (@errolspencejr) August 10, 2021 Manny Pacquiao vs Errence Jr Manny Pacquiao and Errol Spence Jr Square in T-Mobile Arena in Las Vegas, nv.
