To specify much more and don't waste your time, you will need to use the PokéCoin Mon gyms. Niantic giving the possibility of playing players "who do not want to spend a single euro on the video game established this way to get the coins at stake, but you have to do it well, they don't give you anything. This method as such, can take time, but it is a direct way and that in our opinion it is totally safe (and above all legal, it must be said) little by little to collect the PokéCoin coin so that you can invest in the PokéCoin Mon Go Video Game Store, then we will explain ... What you need to do in a more gradual way to get the coins. Related item: How to evolve Eevee to PokéCoin Go: Complete Guide You must have reached level 5 PokéCoin Mon to access gyms in the video game and therefore to be able to participate in one of the three teams that will offer you. You will need to look for gyms that are dominated by the team you have chosen and now your team of PokéCoin mon and once you have done it You will have to approach one of them. You will have to leave one of your PokéCoin, in the gym, so that it can defend it from other trainers who want to win that gym. What will I will do that PokéCoin mon is that during every 10 minutes ... that the PokéCoin mon hard defend the gym PokéCoin Mon, generous 1 PokéCoin Coin for free. The only limitation of this method is based on the fact that during every day we can only win a cap of 50 PokéCoin coins (you have to keep in mind that this is independently of the PokéCoin mon and the gyms to which you went to leave PokéCoin mon to defend) Remember, you can do 50 coins per day. You need to know that a PokéCoin mon can generate coins for a total of 8 hours a day ... besides that daily moment you can remove the PokéCoin mon from the gym if you want to do it or you need it at all. To receive coins PokéCoin you won, you will only have to wait for the PokéCoin Mon to return to your PokéCoin N GYM Gym Team. How to get PokéCoins in PokéCoin N Go Using Gyms effectively? Then we will continue to give you some advice or advise so that your account PokéCoin coins rises as if it were the wolf of Wall Street version at PokéCoin Mon Go. The goal of this is that you can earn those coins in a very short time, so you are much more effective in your time inside the video game PokéCoin Mon Go. Visit a Palestre Mon PokéCoin every day and don't stop at losing one or ineffective: as we have said, we are talking about This is the only free method for PokéCoins, therefore you will have to defend gyms on a daily basis base to get the most out of each of them, without leaving a single single Games every day one of the main tasks you should not forget is to face each of the pokémon gyms dominated by your team (as we have said before, this team is chosen at the level of account 5) so you can start them at yours PokéCoin n Generation of coins. If there are not all your gyms nearby that they are under the control of your team, try to collaborate with the other friendly appetizers PokéCoin Mon to conquer a nearby gym can easily refine those daily coins. Look for gyms with a low influx of PokéCoin mon trainers: also try to go to gyms that could be difficult to access - so that it is very unlikely that other enemy team trainers will conquer them quickly and will lose the opportunity to generate coins In it, to give you an idea and make your own calculations based on your area, with about 5 and 10 media gyms in office, you can generate great quantities of PokéCoin Mon Go Game Coins. You must defend gyms in the best possible hours for this: you have to consider this point because in this way you will not waste time. There are specific hours of the day, as during the hours that people work ... or even the school hours when many players will be at high school, it can also be at night or very early in the morning (around 5am) You have to search for your perfect program that works best for you to leave your PokéCoin n cheffending and then generate coins without any attack or problem that the interrupts that farming, this is one of the points you need to consider the Most of being effective, planning issues, and a lot, things make it easy if you can avoid batteries and you will get more coins to PokéCoin n Go. Keep in mind that it will be much better if the gyms are distant: this is something that would be ideal, to hinder the enemy but not essential team. If you get the gyms conquered PokéCoin Mon to be distant, you will have a greater chance that the enemy team will not constitute two in a row and therefore your PokéCoin mon continues to generate PokéCoins without any problems. This is ideal if you take it because in this way you avoid being able to make it conquer one by one and you have to move or abandon to be satisfied with a single conquest. As a suggestion or suggestion we can tell you that a distance of about half and a kilometer, or even a little more if possible, it would be ideal because someone waives to win another gym. Use your defensive PokéCoin n Defend to defend your gyms Conquering: this is logical as you will take you into account, but there are many people who don't apply and easily lose their gyms. It should bring out those PokéCoin mon who have more defensive power, that is, you should pull out the power of the PokéCoin mon on your team with better defensive attributes, if for any reason you have not yet any good qualities of defensive, here Some examples you should capture to better defend yourself every PokéCoin Monestra: Snorlax, Umbreon, Vaporeon, Steelix, Blissey or Laprasa. Finally, remember that it is important that it increases the attendance your PokéCoin Mon with berries in order, to give them greater motivation and that can resist the defense of the gym for a lot of Longer, AIM for each PokéCoin n Staya Mon Defend for 4-8 hours per gym, then switch to another defensive PokéCoin n on your team.
