And most importantly, you can now play your favorite game straight out of your pocket Android devices. Feel free to unlock many interesting features within the game and join actual gamers from all over the world in many exciting matchups. Relax and entertain yourself in many addictive Carrom challenges with smart opponents and engaging mobile gameplay. Unlock many exciting game modes with unique and interesting setups. Have fun playing the addictive board game with friends and any other players. Make your bet and win against others to earn big prizes. Learn more about this awesome game from Miniclip.com with our comprehensive reviews. Story/Gameplay For those of you who don't know yet, Carrom is easily considered one of the most famous board games that were originated from India. Here, you can enjoy a multiplayer game with up to 4 players, each occupying their own sides of the table. Simply make your shots and guide the Carrom into 4 installed holes at the corners of the table. Whoever makes the better shots and earns the most points will win the match. It's pretty much like 8 Ball Pool with just some slight changes in rules and gameplay. And now, with the mobile version of the game also available on your Android devices, it's going to be a lot easier for gamers to enjoy their awesome Carrom Pool Disc Game. Feel free to join friends and online gamers from all over the world in this addictive board game. Choose your table and carroms to get started whenever you are ready. Unlock the simple yet extremely enjoyable gameplay on your mobile devices. Make use of the smooth controls and great physics to make the game extremely immersive. And to spice things up, Carrom Pool Disc Game will offer its addictive competitions where players can bet their money against others. Win to collect awesome prizes or lose to forgo them all. At the same time, you can join others in many addictive and intense ranked battles. Features Here are all the exciting features that the game has to offer: Different game modes to enjoy To start with, Android users can enjoy their exciting Carrom Pool Disc Game with two different game modes. Feel free to have fun with the traditional Indian board game in Carrom mode. And also discover the renovated mobile board game with Disc Pool. Nonetheless, you'll always find either of the games to be extremely fun and enjoyable. Play with friends and other online gamers For those of you who are interested, you can now join friends and other online gamers in many exciting matchups from Carrom Pool Disc Game. Take on many friendly Carrom battles with friends and other gamers. Or enjoy the more competitive challenges with the ranked mode. Fight and strike against your opponents to earn your victories. Claim your rightful positions on the ranking table and earn special rewards in Carrom Pool Disc Game. And always have fun no matter which matchup you are in. Also, with your social accounts connected to the game, you can also discover your friends who are playing Carrom Pool Disc Game and quickly join them in addictive matchups. And the connected account will also sync and protect your in-game data. Intuitive touch controls and accurate physics And to make the game more accessible and enjoyable for most of you, Carrom Pool Disc Game also offers its intuitive touch controls and accurate in-game physics, which would make it a lot easier for you to work with. Feel free to unleash your perfect strikes with guided dash lines and make good use of the interactive gesture controls. Stay calculated and ensure your win, thanks to the accurate in-game physics. Hello and welcome, CloneApk offers you premium and latest apps for free. Along with this you will get proper and trusted information about the mod apk because we never break the trust of customers or viewers. Here you will find the download link of cracked apk below. Let's dive in. Carrom Pool Mod Apk Premium latest 2021: What is Carrom Pool mod apk 2021? Carrom pool is an easy to play multiplayer board game. There is only one aim in this game is to pot all your pieces before your competitor does. It has very smooth controls and graphics are fantastic. No user can go away from it. So, Carrom pool is a great game with more than 50 million downloads. Board graphic is very realistic and it is multiplayer game. Therefore you will need active internet connection. You can compete with your friends and other players over the internet. It has very simple gameplay and smooth controls. Carrom pool gives its users tears of joy. It comes with great physics simulation and travel around the world and play against worthy opponents. Pool gives you customisation option for pieces with huge variety of unlockable items. Rules for playing Carrom Mod apk 2021? On First turn, player is given a chance to disturb the whole group of pieces. After that each player gets chance turn by turn to pot their respective choice of pieces. So, a player pots his choice of piece successfully then he retains the turn. If he pots the striker than he has to give his piece as foul. Different types of games in Carrom pool mod App: 1) Disc pool Carrom: In this game mode you are given a color of piece as your aim and you have to pot all the pieces of your aim before your opponent does. The game consists of 6 to 9 pieces. You can bet coins in the game. One who wins receive double of what was placed as bet. If striker gets potted then player has to give up his one piece as fine. however, he gets another chance as reward when he pots his aimed piece. 2) Freestyle Carrom: Carrom pool crack provides another mode which is freestyle carrom. In this mod you have to score certain points before your opponent does. potting white pieces means 20 points whereas potting black means 10 points. However, potting striker means foul and loss of one piece. Download Carrom pool mod apk cracked: Download Mod Apk You Can Also Download :- Features of Cracked Apk: Play multiplayer matches in 2 game modes: Carrom and Disc Pool .
