If I have further questions about participation, whom do I call? Our professional relations representatives are available to give you all of the information about participating with each Delta Dental program, facilitate the contracting process and assist staff with Delta Dental claims administration. What happens if a Delta Dental PPO-covered patient is treated by a nonparticipating dentist? Degree-seekers can attend an online program from any school nationwide since they do not need to relocate to enroll. Participating dentists agree to follow the Uniform Requirements (which can be reviewed prior to signing an agreement), abide by the processing policies (which can be reviewed prior to signing an agreement), charge enrollees their applicable copayments; and accept payment directly from Delta Dental. No. Prior approval is not required when you refer a patient to a specialist. Most colleges and universities charge a nonrefundable application fee of \$50 to \$80, even if the applicant is not accepted to that school. To schedule a personal visit to your office or more information, contact your Provider Relations Representative listed on this territory map. Many times this means asking for a specific form or submitting a letter explaining the basis for the fee waiver request. Reimbursement may come from Delta Dental, the patient or a combination of both parties, but the total amount collected cannot exceed the PPO fee schedule amount. Am I expected to file claims for Delta Dental-covered patients? To get a list of participating specialists in your patients' area, use our online dentist directory, or call DASI, our automated voice response system, at 800-524-0149. And you receive the Delta Dental check at your office, which reduces your collections efforts. LEWIS AND CLARK COLLEGE Tuition: \$57,404 Located in Portland, Oregon, Lewis and Clark College offers both undergraduate and graduate programs with an extensive study abroad program. Other institutions do not charge an application fee to any student who wants to apply. It also provides information on schools offering fee waivers and how to get them. Delta Dental PPO™ participating dentists are reimbursed on the basis of their submitted fees, not to exceed the amounts published in the Delta Dental PPO™ fee schedule, as payment in full when treating eligible Delta Dental PPO™ patients. Other than financial need, application fee waivers can be granted if the student: Applies online as a legacy applicant with a parent or grandparent who has already graduated from the school; Makes an official college visit; Is a member of a special group, such as the U.S. Armed Forces being recruited by an athletic team; Schools that offer application fee waivers include: Universities and Online Colleges With No Application Fee Even applying to college can be expensive. For example, applicants who cannot afford the fee or meet special requirements, like being an in-state resident, do not need to pay it. Delta Dental PPO™ (Standard): Benefits may be limited, or there may be no coverage for services rendered by a nonparticipating PPO dentist. For example, fee waivers granted on financial need can be obtained directly from the school or from the College Board. Luckily, there are many online colleges with no application fees. Am I free to terminate the agreement at any time? College Application Fee Waivers Application fees can sometimes be waived in certain situations. Delta Dental PPO™ plan payment options include: Delta Dental PPO™ (Point-of-Service): Members are covered by Delta Dental Premier® for treatment rendered by a dentist who does not participate with Delta Dental PPO.™ The dentist is paid based on his or her participation status in Delta Dental Premier®. Plan purchasers determine how out-of-network claims are handled, so Delta Dental encourages dentists to verify coverage before treatment is rendered. This compensation does not influence our school rankings, resource guides, or other editorially-independent information published on this site. Featured or trusted partner programs and all school search, finder, or match results are for schools that compensate us.
