The night before both shootings... Kristina, George and Izia were talking outside the hospital. First another hard day, win the battle, lose the war, all because of poems. The finish line at the end of the stay is waiting in line for the chance to have surgery And then there is the most important line. The line that separates you from the people you work with. It doesn't help you very closely. Make friends, you need limits between you and the rest of the world. Other people are very dirty. Everything is about lines. Draw lines in the sand and pray not to overcome anyone. You have to make a decision at some point. Borders do not affect other people. They protect you. Life is scattered. That's how we were created. So you can spend your life by drawing lines or you can live by breaking them. However, there are some lines that are very dangerous to overcome. But I don't know. If you are willing to take risks ... The view on the other side is magnificent. The first section is the deepest one) The second part of the first season and the second part of the Anatomy of Passion series. [ ] A brief statement of moving George and Izzy to Meredith. Burke works hard to become the next boss and listens to Weber's advice to start doing everything for patients. While Derek helps a victim of rape, Meredith carries the penis of the rapist. Alex Karey becomes one of Bailey's trainees and copies Christina around the clock. The full resume [ ] Meredith enters the locker room and publishes the announcement of a neighbor in the advertisement board room. George parked his car and starts to drive to the hospital, but he forgets his badge, so he accidentally has to go back to his place. Izzy causes the elevator. When it is opened, it is full of men who look at her and make her feel strange. Christina comes to the hospital on a motorcycle and almost hit George. He puts him aside and runs to the hospital. Parties wear clothes. Meredith puts leopard patterned shoes in the closet. Meredith talks to a trainee who wants to be a roommate, but Meredith thinks that the trainee is not suitable and says no. Izzy asks Meredith why he hangs posters in his rooms, but he seems to have no need for it. Meredith says yes, and Cristina intervenes to see Meredith holding the coffee for Bailey, and calls it bribery. George says he caresses his mother's clothes and implies that he wants to be a close neighbor, but he doesn't think it is a good idea. Izzy even tries to ask, but Meredith rejects. Meredith says he needs two foreigners who he doesn't have to talk or be cute. Bailey gives their duties to the income and trainees. While Bailey climbed up the stairs, He asks if he helps or offers a paid latte. Bailey's next went out immediately and says that when Meredith is cut off, everyone should. Bailey says it's not her job and her job is to make you people happy, but Bailey isn't. She reaches for a paid latte and says she won't hold a scalpel until he's as happy as Mayor Polina. Meredith goes to the elevator where Derek is also waiting. He notes that there are ferries in Seattle that he didn't know about because he only lived there for six weeks. When the door opens, he speaks from New York. As the door closes, Meredith says he won't go with him. Derek says he never listened, but he asks if she wants to. He says no and she won't sleep with him because he is her boss. Derek rejected her and Meredith says she was sexually harassed. He says he'll draw the line, and Derek asks if he needs a cursor. Meredith looks at him and tosses her files until the door opens. Meredith picks up her folders and paper. Meredith arrives at the trauma station where the nurse has a rape victim found in the park with serious injuries. Meredith starts to stand out when she sees that the victim's shoes are the same as you, but when the nurse calls her, she avoids dizziness and bark. The rape victim is controlled. Derek says that she will spend a lot of time recovering and rehabilitating and is shocked to see that she is alive after what the guy did to her. Burke notes that she tried to fight back, but Derek replied that she resigned because the rape rate was negative. Burke calls her in the war, but Meredith says her name is Allison. Burke says he found the cause of the crack, but he doesn't know what it is. He asks for a room and Meredith replies that they are thugs and mumbles from disgusting doctors. During Derek and Burke's time, they discuss Allison's recovery. Burke says they should have drinks later and Derek can tell him why he left New York for Seattle, but he says there's nothing to say that Webber made the assumption that he couldn't give up and leave. George boasts of Christina's code command, but she tells him that he should stop talking. He says he's got B.A. Smith, Dr. Berkeley and M.D. From Stanford, she represents the labs and says she'll need the whole day. Bailey hears and tells her that she should start. Cristina tries to say she didn't complain and Bailey did. She says she and an intern and Kristin have to show her how Bailey does business. The intern introduces herself to Alex Karey, and Kristin remembers that she was the one that Meredith refers to and said that she basically hate her, and Alex says that she does it over time. George Pager is silent and goes. George leads the hallway and then the code team. The patient has an atrium and astyrolia. George brings to issue commands and the nurse invites her shoulder blades. Disappear tells a Chinese that she needs six stitches and asks if she is allergic to medication. Ms. Ul says something about Cantonese, asks if she can do some tests, but the trainee says he is benign and aging. Asks Meredith to go and do it. Izzy thinks she can bring Chinese. Cristina with him and asks Mrs. Lu if she can translate. The lady repeatedly repeatedly repeatedly that her daughter came out with her head injury and wanted to help with the seams, but she couldn't. But Cristina says he comes from Beverly Hills and the only Chinese he knows is Mr. Chous. It also informs you that it is and goes to Korean. Burke asks Richard why he asked Derek to come to Seattle Grace. Richard tells her that it happened because he is a former student of Derek. Burke later realizes that there might be another reason and say he is the head of surgery. Richard says he won't walk for a moment and Burke is going. Cristina talks to Alex. Cristina asks how he gets or how it will take, take files, gives Alex and tells him he should hurry and go. Cristina and Alex bring laboratory results and feel uncomfortable after hugging. George rushes to the hospital room, followed by a code of code. The patient flags and must name death in medicine. Izzy mentions Miss Lou, but Christina dismisses her. Meredith comes in and says the police can't get to the penis so she has to leave him for the night. They all complain about the interns. Bailey is expected to come in and the interns to leave. Meredith, find the child's parents who are worried about him and share your fears with them. Kristin and Alex come over and she complains why he always hugges her and Alex says that it is because she has an ovarian sister. Kristin is offended and says that George Meredith wears a penis. Kristin looks at, laughs and goes. George asks Meredith if she is doing well. Meredith asks Burke of a child who has been blue on a tie. Burke later says that without advice on Pad can do nothing. Izzy ends the magimaster's hand. He tries to flirt with her, but Izzy knows he's drunk. The man later said he thought he recognized her from a magazine. Izzy says she knew and made him go. Miss Lu sits down and Izzy starts sewing his arm. He continues to speak Chinese, but Izzy says nothing. Meredith is talking to Christina in the lobby. They talk for a bit, but then they see a truck servicing the parking lot. The two go to a man whose clothes are soaked in blood, especially around the groin. Then he collapses, and doctors and nurses crowd around him. Meredith later realizes that she is a rapist. Once inside, Meredith sets up a guard and shows Bailey the rapist. He tells Meredith to take her or I and inform the guide that they have them. With the rapist in the operating room, Cristina and Meredith talk about Alison and the rapist. Bailey then asks why they don't put the penis back in and Meredith says they can't be put back in without a clean cut and Alison's digestive juices don't leave much to work with. Meredith says she's going to get him out of the bag for a long time and Cristina won't have sex anymore, which is a shame. Bayley sarcastically says they need time to burn off and get back to work. Richard kicks him out of Ora and tells Gloria they have a rapist, but when Berke asks why he can't be the boss, Richard says he's doing what he has to and nothing more. Then Richard leaves. Derek cares for Alison and worries about her recovery. Izzy ended up in Miss Lu's stitches. He says something in Chinese again. Izzy says she can't understand him, she has other patients and Miss Lu has left. Alexa says she has a headache and Cristina says she hopes it's a brain tumor because if she had to clean it she'd tear her face up. Izzy walks in and says she's been sewing all day. George says at least he's helping people and Alex says at least he's involved about her. Burke is trying to interrupt, but Bailey says he's not done yet. In the locker room, Christina complains that she needs a drink, a man and a massage. George says he's lost five patients, but Christina tells them most of the code patients are already dead before he gets there and leaves. Meredith sits in a chair chair in a children's room. The pediatric trainee says he thought it was Meredith claims that trainees are almost never right. The trainee asks Meredith if he is afraid, and then Meredith says it, the trainee says he is happy that he is not only her. Meredith asks Derek and asks what Allison is and says he has no change. Derek says he has four sisters, and if he was in a coma everyone would be there. They therefore discuss their relationship, but the conversation quickly returns to Allison and how no one is. During the conversation, Allison begins to fall and Derek is preparing for rescue craniotics. After the operation, Derek informs Meredith d'Allison and asks him if he survives. He says it will be good when he wakes up.

Derek questions Burke about the drink they talked about, and Burke now says he doesn't want him. He tells Derek that it is only a competition for the head of surgery and leaves. Meredith sings an article on a penis, while Patricia helps him and Richard tries to say "penis". He says he shouldn't be strange because he is a doctor, but he changed the Meredith diapers. Then deliver the police penis box and Meredith leaves. Child Johnson is in the operating room while Burke explains the room. He begins to break the child's chest and tells Meredith to rub as he allows him to stop the pliers. Meredith immediately goes to the room. Derek falls into the rapist room and slam the end of the bed, awakening him. He tells her that Bailey stopped bleeding, but his penis was given to the police and leaves. The rapist realizes that he is associated with the bed. Cristina and Alex give more results. Cristina tells the patient that her tumor was soft so that she could go home. The patient kisses her husband, who then goes to Cristina. Cristina works quickly and pushes Alexa along the way. Alex kisses, and Cristina goes away, very satisfied with herself. Burke takes care of the child while Meredith holds the pliers. The courses look at the children of kindergarten. Then Meredith told Iceza and George that they can move. They are excited and start to kiss. Allison begins to wake up and Derek greets her. Meredith approaches the elevator, where Derek is waiting, and says he has an intense thing in the ferry. After watching her, he changes his mind and said he will rather take stairs. The door of Derek in the hospital for his "lack of complacency" Meredith to follow George, Iceza and Cristina. Cristina: You are the pairs that Meredith calls nurses. I generally hate you. Alex: In any case, you are aggressive and intimidating motherfucker. I hate you too. Derek (Meredith gets up and waits for the elevator) Seattle has ferrries. Meredith: Yes? Darek: I didn't know that. I have lived here for six weeks. I didn't know there were ferrries. Meredith: Seattle is surrounded by water from three sides. Derek: Celts come from here. Now I like this place. I wasn't going to like this place. I am from New York, reliably created anywhere except my manhattan genetics. I have a ferry error. (The elevator opens and both enter) Meredith: I'm not going with you. Derek: Did I say, come out with me? (after a few seconds) Do you want to make an appointment with me? Meredith: I don't meet you. And I will never be able to fall asleep again. You are my boss. Derek: I am the boss of your boss. Meredith: You are my teacher! Oh, my teacher's teacher! And you are my teacher. Darek: I am your brother. I am your daughter Meredith: you are sexually harassing me. Derek: I get into the elevator. Meredith: Look. I draw a line. The line was drawn. There is a long queue. (Pause) Derek: So this line. Is it a dream, should I buy you felt? (Meredith) (Meredith looks at Derek for a second, then drops the files, gently presses him to the elevator wall and gives him two passionate kisses.) Icezie: I wouldn't call you, but I can't find it. translator . Can you ask him, what happened? Krystyna: No. Iza: Why not? Cristina: I grew up in Beverly Hills. The only Chinese menu of Mr. Chow I know. Besides, I'm Korean. Beet: what is it? Does anyone know what it isMeredith: Oh my god. Burke: What is it, gray? Meredith: He managed to... Burke: What is it? Spit, gray color. Meredith: It's his... dick. Bailey: Every trainee wants to perform their first surgical procedure. It's not your job. Do you know what your business is? To make your resident happy. Do I look happy? NO! From where? Because my intern, shy. Do you know what makes me happy? Be on the code team, answer injury sheets, deliver weekend labs, and have points. Mary Freakin' Poppins. Burke: Anything you say in 30 seconds is free... it all starts now. Bailey: I thought you were. Arrogant. Authoritarian and aggressive. You also have a god complex and think of nothing but yourself. Burke: But I'm Bailey: But what? I still have 22 seconds, but no. Meredith: Where were you when the tough guy exploded? Trainee: What? Meredith: Space Shuttle - Challenger. Trainee: I think I was in kindergarten. Meredith: Absolutely. No. Cristina: What are you doing here? Meredith: He's just sitting here with my cock. Preston: I want you to stop thinking of me as a number. Richard, I do more than the other surgeons at this hospital. Richard: You do it out of necessity. You never take extra steps, you never take a minute. You are comfortable. And arrogant and did not affect me. You want to be a chef, win. George: He lost five code team patients today. I feel like the angel of death. Cristina: George, 95% of all coded patients cannot be restarted. Most of them seriously died before they got there. George: What?! Why didn't you tell me how great that would be? Cristina: Because you are George and I, Cristina. MEREDITH: I'm climbing a lot of stairs this time. Derek: No satisfaction. It's sad. Really. Derek: He's going to spend a lot of time recovering and rehabbing. Burke: If he survives. Derek: What is 100 pounds as 5/2? Does a man who does this always breathe? If they catch a guy, they have to leave him. Burke: How many times have you seen yourself break your arms? He tried to take revenge. Derek: Did he try her? A rape kit was negative. He hit her. Burke: Oh. I think there's a fighter among us, don't we? Meredith: Allison. His name is Allison. Derek: (whispers) Allison. Burke: I think I found the reason for our breakup. About whatDoes anyone know what that is? Meredith: Oh my god. Burke: What? Spit, gray. Meredith: She bitten her. Burke: What closed? Meredith: It is the H-Penis. He bit himself in the penis. Georg: What is it? Meredith: Don't ask. You don't want to know. Georg: I want to know. Really. Meredith: Are you sure you want to know? (George shook his head) It is a penis. Georg: okay. I really didn't want to know. (Cristina and Alex join them) Cristina: Why do I have to be the one who hugs them? Alex: Because I don't. You are also an ovarian brother here. Cristina: Did you just call me Si-A Ovary Fog ... has it been an insult to keep an ovarian since then? George: Meredith cries in a glass. Cristina: Oh, a rape? Meredith: Yes. And it's not a pot, it's cooler. Cristina: Talk about taking a bite from crime. See also [] the complete team overview for this section can be found here. Links [] links []
